

# 100% FREE REPLACEMENT WARRANTY\*

Argus Advanta hereby warrants every new Argus Advanta tire bearing a complete description as required by DOT and manufactured AFTER August 1, 2014 (DOT date code 3414) to be free from workmanship and material related conditions that would cause the tire to become unserviceable for the life of the original tread of a new tire less 2/32". The life of the original usable tread ends when the tire tread has worn down to 2/32" remaining, at which point the tire is considered to be fully worn out. Argus Advanta will replace tire with a new Argus Advanta tire for qualifying warranty claims. All Exclusions listed below void this 100% Free Replacement Warranty. Conditions and coverage are subject to change at any time and without notice.

- A. The worn Argus Advanta tire must be replaced with a comparable new Argus Advanta tire by an authorized Argus Advanta dealer. Copy of invoice will be required.
- B. 100% free replacement applies to new first quality tires only. Retreads, tires unserviceable due to Road Hazard and tires described under Exclusions below are not covered.
- C. Adjustments on ride complaints or out of round tires are excluded from this warranty if they are worn past 2/32" from the original usable tread of the new tire.
- D. Written documentation of tire rotation every 6 months or 6,000 miles is required.
